

Magnolia Court Reception Hall

Your Wedding-Budget Worksheet

Please take the time to plan a budget. **NOTE:** All the research I have done will say the Reception will be 50 percent of your budget which includes all the items listed in that area. Keep this in mind when planning your budget.

Download and print these PDF files. You will see there is also a one page work sheet for each category. This will give you an opportunity to list the different vendors and their prices. When you have made your decisions on your vendor, gifts, etc., you can fill out the worksheet below.
